SONIC-GRAMS

OFF PANEL

by Gallagher, Manak & Amash

THIS JUST IN!

J.F. GABRIE
EDITOR

Continuing in the tradition of the old "Adventures of Scott & Paul" strips that used to grace the pages of Sonic-Grams, we introduce Archie employee, Tito (a.k.a. Rosario Pena). As the strip above mentions, he colors all the Archie-related covers. A complete sound effects master with verbal knowledge of almost every spoken line from The Simpsons cartoon, Tito's chaotic mind brings order to the world of cover color separations. You'll see more strips from time to time that will spotlight some of my other co-workers. Say "Hi!" to him next time you write in. Now I have to give you another reason to write in. How about this: Off-Panel has been a regular in Sonic-Grams for about twenty-five or so issues, so tell us what you really think of it. Please... be merciful.

Catch you on the flip side!

The official comic adaptation of Sega Dreamcast's "SONIC ADVENTURE" officially ended last month, but your letters just keep coming. Here are some interesting comments on issue #80:

Yo Sonic and Co.,

Gotta say that SONIC #80 was boss, guys. I think FRY's artwork kicks major-league tail! He's a great addition to the team. In the second story, I'm with Knux. The Brotherhood should've helped Sally, but right now it's a little late for should've's. I love Amy Rose's new look from the "SONIC ADVENTURE" game and I love the new characters in the book. My sister and I want Tails to get his own title. We also want to see more of the Downunda Freedom Fighters sooner or later (we know you're busy with the Dreamcast tie-in, so we'll wait).

Aura "Amy Rose" Vogler Cage
(age 14)
Mayflower, AR

FRY appreciates your enthusiasm regarding his artwork, Aura!

Dear Sonic,

When are you going to ask Sally to marry you? I was also wondering if you could put your show on the Cartoon Network.

Ethan
Jersey Shore, PA

We know that Sonic is sixteen years old, but don't you think he's a little young to be popping the question to Sally, Ethan? There are no plans (as far as we know) for a syndicated Cartoon Network SONIC show.

Dear Sonic-Grams,

I just finished reading SONIC THE HEDGEHOG #80. Keep up the good work! It's amazing how this comic went from mostly comedy to a serious storyline. I have a few questions: 1) Did Amy's mind mature along with her body? 2) When is

COMING ATTRACTIONS

Next issue: Will our fearless hero save Tails in time before he becomes volcano-crispy and fried? Will the blue blur be able to defeat Metal Sonic to do it? Only one of these can be answered with a yes. Read next month's issue to find out. By Fingerioth, Maxwell and Amash. Also, check out the conclusion to Monkey Khan as he confronts the new Robotnik and his new plans for our simian friend. By Strom and Harvo.

SONIC THE HEDGEHOG #87 on sale August 2000!

Rotor coming back to Knothole? 3) When will Hershey make another appearance in a story? See ya next issue!

Isiah Jerome Jack
(age 19)
Kansas City, MO

We take our comedy very seriously around here, Isiah! On to your questions: 1) Not by any means, and she (as well as her friends) will soon realize that big fact. 2) Rotor should return any day now. What'd you think of his solo story, "Home and Back," last issue? 3) Expect Hershey to show up in SONIC #80. If you can't wait 'til then, check out her solo story in SONIC SUPER SPECIAL #11 if you didn't already!

Dear Sonic-Grams,

Great job on SONIC #80! I loved this issue's "Off-Panel." Now, on to the questions: 1) I'm confused. Isn't the "Hidden City of the Ancients" a green, lush paradise? 2) How old is Amy Rose now? 3) What are those creatures on page six of "Landfall?" 4) What did Knuckles mean when he said, "We could've avoided all of this, you know! If you guys had only helped Princess Sally when she came to us..." 5) Finally, on page three of "Swallowing Trouble," what happened when Froggy drank the water?

Giancarlo Agueci
(age 11)
Ontario, CAN

1) Think of Station Square (or the "Hidden City," as it was called in Mobian legend) as an urban metropolis surrounded by a lush, green paradise, Giancarlo. 2) Amy Rose is now twelve years old. 3) Those mysterious creatures were the Cat People. 4) Princess Sally asked for help from Knuckles' family against Dr. Robotnik in Knuckles #29, and they said no. 5) After drinking the water, Froggy suddenly grew a tail he didn't have before.

Dear Archie Comics,

I'd like to say that I love your comics and that the artwork in it is great! I can't wait to see what happens to Amy Rose. Actually, I think I already know (I bet she gets older). Keep up the good work and say "Hi" to Sonic, Spaz, and FRY for me. Sonic is cool and Spaz and FRY draw great!

Natalie "Luna Silvawolf" Andros
Derby, CT

By now, Natalie, you know that your prediction about Amy was one-hundred percent correct.

Dear Sonic-Grams,

Hi! I think Patrick Harrington's idea to have Tails meet up with Fiona Fox again is great. Maybe you could have it happen in a new TAILS mini-series, because the first two were great! And I think that the Dreamcast tie-in with Big the Cat and Froggy is an awesome idea. Oh, yes-- great job by Spaz, Harvo, and Chris Cowgill on beating and translating the Japanese version of "SONIC ADVENTURE." I'll also take a look at Spaz's work in Gamefan Magazine. Keep on juicin'!

Jamey Wyman-Blackburn
(age 13)
Pleasant Valley, CT

Does anyone else agree with Jamey that Tails and Fiona should hook up in an all-new mini-series? If you agree, send those letters by e-mail if you've got it, and snail mail if you don't!

Thanks for all your letters regarding "SONIC ADVENTURE". See you in thirty when we review SONIC THE HEDGEHOG #81! Until then...

KEEP ON JUICIN'!
